Title 5: ADMINISTRATIVE PROCEDURES AND SERVICES

Chapter 555: INTERBRANCH COMMUNICATION AND COORDINATION

§21201. FINDINGS

The Legislature finds that difficulties in interactions among the Executive Department, the Legislature and the Judicial Department often arise from the lack of understanding of the functions, structures, needs and perspectives of the 3 separate but coequal branches of government. Increased communication and coordination in daily activities as well as in long-range planning are possible to improve the effectiveness and efficiency of all 3 branches without the imposition of the views or directions of one or 2 branches upon another.
